The Advanced Course on Diagnostics

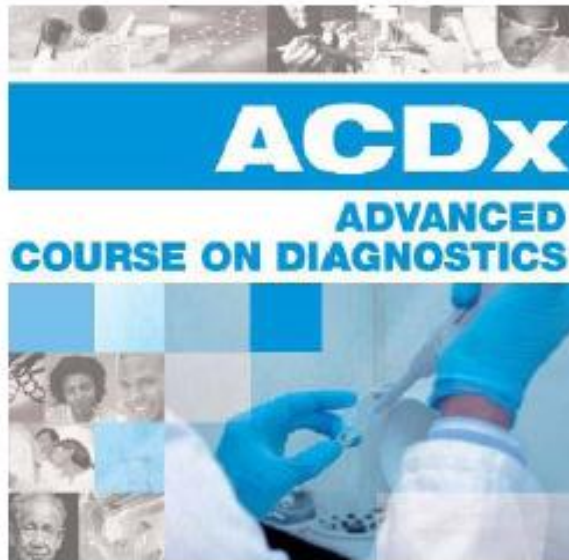

idémologique COORDINATION

About Fondation Mérieux

‘Strengthen local capacity in developing countries to reduce the impact of infectious diseases on vulnerable populations’

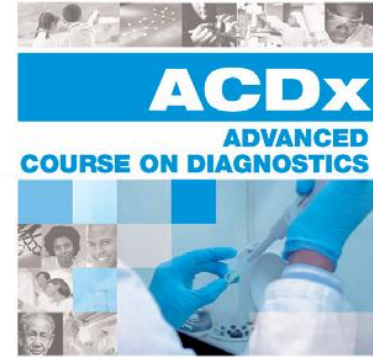

Organised by
Fondation Mérieux and
**The London School of Hygiene &
Tropical Medicine**

"Les Pensières"
**Fondation Mérieux Conference Centre
Veyrier du Lac – France
2-7 September, 2012**

With support from the Bill & Melinda Gates Foundation and
diagnostic manufacturers associations

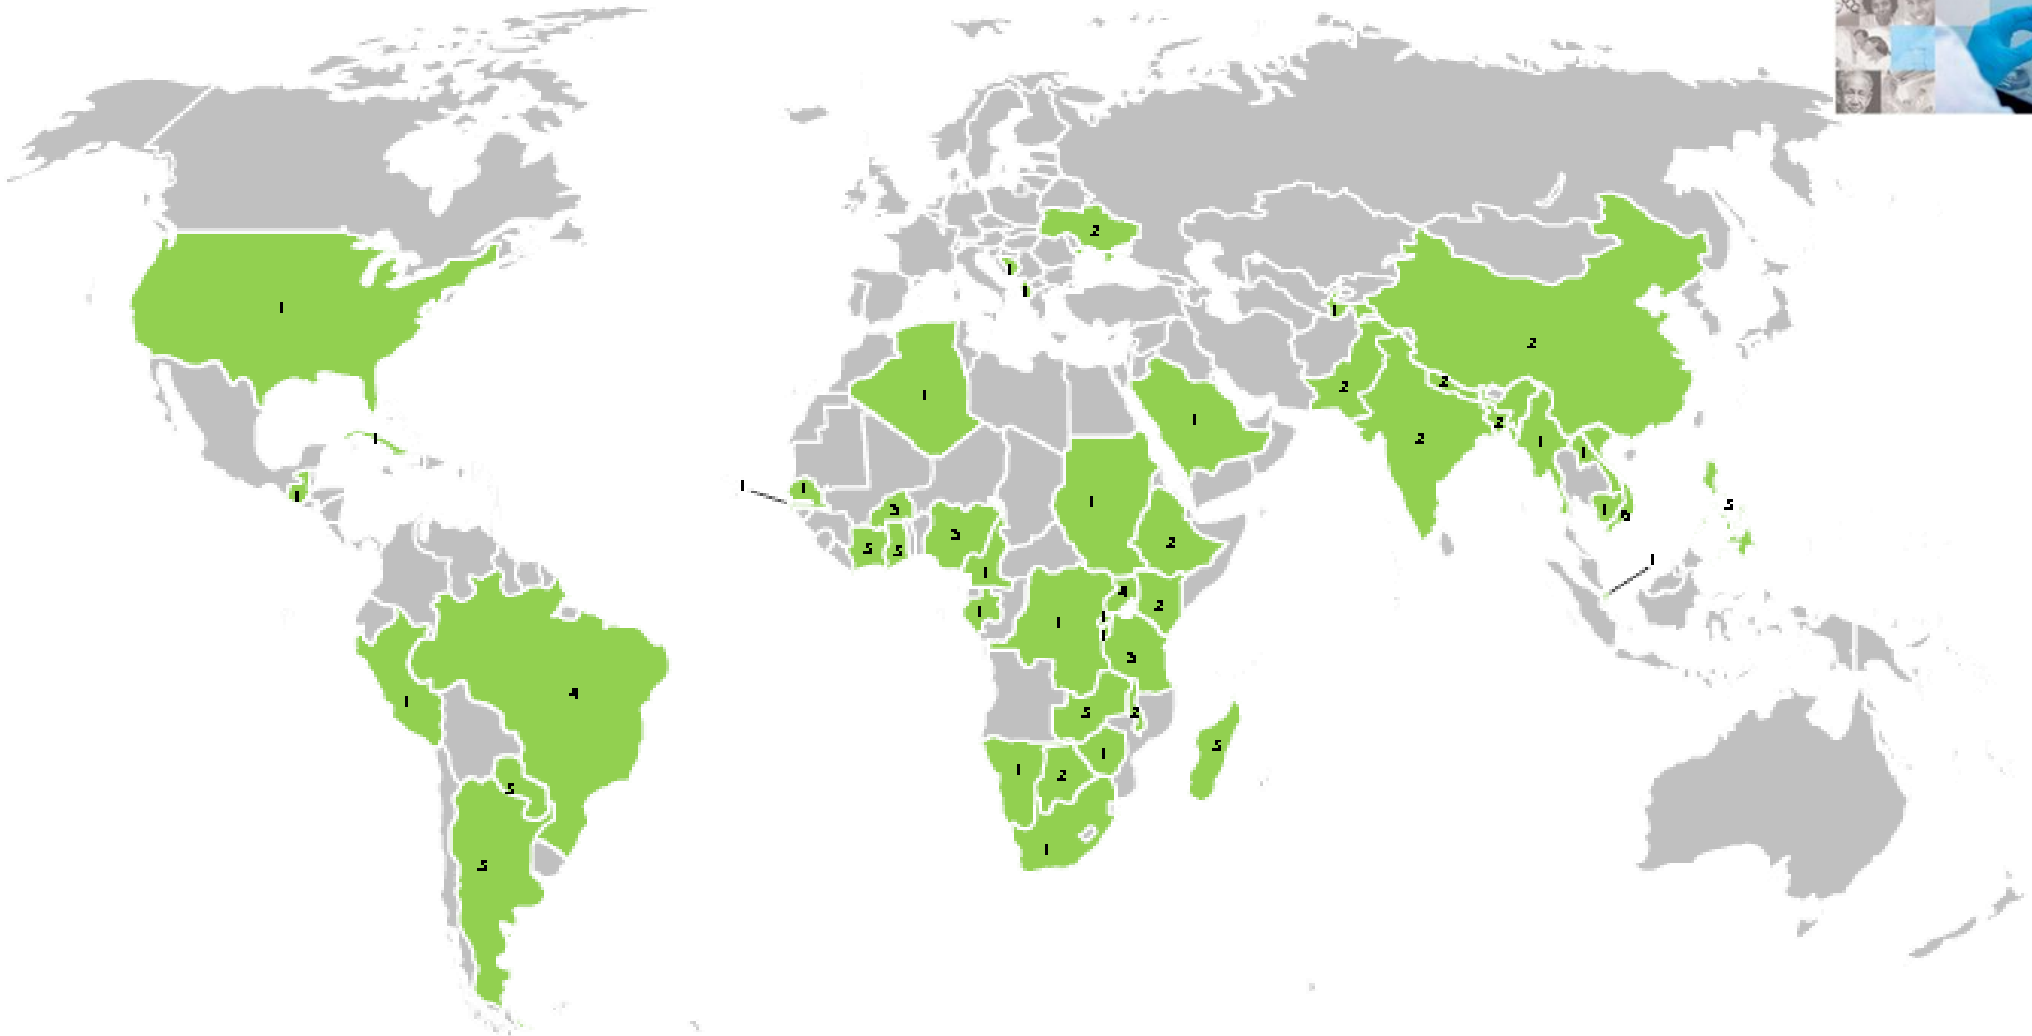

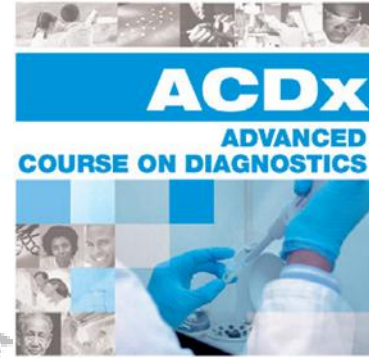

Objectives of the course

- **To advocate the value of diagnostics**
- **To build capacity in critical decision making in diagnostics by providing participants with:**
 - An overview of the global landscape of diagnostics research & development
 - Understanding of the barriers to adoption and uptake of new diagnostics
 - Tools to ensure appropriate use of quality-assured diagnostic tools to improve global health

46 countries - 94 participants
